PROFILE

I'm Patricie, front-end dev with a special spot for web3 and crypto. My self-taught journey has led me to Timecloud, where I blend creativity with code every day. Besides coding, I'm all about staying active - whether it's Muay Thai, catching waves, or diving. I value teamwork and clear communication.

SKILLS

- React, NextJS, Angular
- Typescript, Javascript
- Tailwind CSS and other CSS frameworks
- Framer Motion, React Three Fiber
- HTML5 & CSS3
- Cypress
- Agile methodology, Jira, Confluence
